## INDEX TO VOLUME 137

Each entry has a coded designation which indicates the section of the journal from which that article came. The codes for each department are as follows: Actualités au Québec (AQ), AIDS Update (AIDS), Case Reports (Cas), Clinical and Community Studies (CCS), Current Reviews (CR), Editorials (E), Epidemiologic Reports (ER), Letters (L), Medical History (MH), Medical College Issues (MI), Medical Science News (MSN), Musings (M), News and Features (NF), Original Research (OR), Platform (PI), Profiles (P), Publisher's Page (PP), Special Articles (SA), Vista (V)

### A

ARC: See AIDS RELATED COMPLEX

AZT: See AZIDOTHYIMIDINE

ABDOMEN:

Active abdominal tuberculosis in Canada in 1970-81 (Jakubowski and others) (OR) 897

ABDOMINAL INJURIES:

The seat-belt syndrome (Vandersluis and O'Connor) (Cas) 1023

ABELSON WH: See FORD-JONES EL Jt Auth

ABORIGINAL PEOPLES:

Clinical profile and prevalence of fetal alcohol syndrome in an isolated community in British Columbia (Robinson and others) (CCS) 203  
Northern obstetrics: a 5-year review of delivery among Inuit women (Lessard and Kinloch) (CCS) 1017

ABORTION:

The abortion issue in Newfoundland: A province divided (Quigley) (L) 376  
Canadian Physicians for Life: "What we have here is a silent minority" (Trent) (NF) 756  
Chlamydial infection among females attending an abortion clinic: prevalence and risk factors (Levallois and others) (CCS) 33  
The right to give life and not to be deprived of it (Lafrance) (PI) 1001

ABRAMS MO: See CONDRA M Jt Auth

ABSORPTION:

Systemic absorption of intraurethral lidocaine (Yatscoff and others) (L) 992

ACADEMY OF MEDICINE, Ottawa:

Public relations role of medical society staff (Warrack) (L) 103

ACCIDENTS:

Falling over the falls (NF) 238  
Injuries and deaths associated with off-road recreational vehicles among children in Manitoba (Postl and others) (CCS) 297  
Near death caused by accidental misconnection to an endotracheal tube (Dubinsky) (Cas) 1105

ACCIDENTS, TRAFFIC:

Accidents involving off-road motor vehicles in a northern community (Hasselback and Wilding) (CCS) 630  
Operation of a support service team in the emergency department of a general hospital (Condra and others) (SA) 281  
The seat-belt syndrome (Cas) 1023

ACQUIRED IMMUNODEFICIENCY SYNDROME:

AIDS in the OR: A surgeon's view (Ponsford) (NF) 1036  
AIDS placing special demands on psychiatrists (NF) 1046  
AIDS, report on elderly dominate annual meeting (Sullivan) (NF) 531  
AIDS testing advocated for at-risk women (Newsbrief) 72  
AIDS the major topic as pediatricians meet (Chouinard) (NF) 541  
AMA urges caution about mandatory AIDS testing (Newsbrief) 244  
A case of acquired immune deficiency syndrome before 1980 (Rogan and others) (Cas) 637  
Cashing in on AIDS: Turning a disaster into a business proposition (Cohen) (NF) 932  
Debate about AIDS reveals widely differing opinions (NF) 650  
Don't recommend blood donation as means of getting AIDS test: MMA (Newsbrief) 143

Eighteen percent of AIDS hospitalizations end in death: report (Newsbrief) 243

Ethics Committee considering new statement on AIDS (Newsbrief) 53

Eyes removed for transplantation should be accompanied by blood (Newsbrief) 143

Financial Post conference: An exercise in doctor bashing (Woods) (NF) 433

First US AIDS hospital to close: Too few paying patients (Newsbrief) 666

Free booklet helps health care professionals understand AIDS (Newsbrief) 426

Free needles rejected, but BCMA supports distribution of bleach (Newsbrief) 927

Health care workers infected by blood from AIDS patients (Newsbrief) 72

Hospital workers told to take stricter precautions against AIDS (Newsbrief) 444

Laboratory evidence of human immunodeficiency virus infection in Canada in 1986 (Canada Diseases Weekly Report) (ER) 823

Little evidence of "gouging" in dispensing of AZT (Newsbrief) 665

More AIDS precautions urged for health care workers (Newsbrief) 665

New AIDS newsletter available (Newsbrief) 227  
Only a dream (Goldman) (NF) 931

Ophthalmologists can play role in diagnosing AIDS (NF) 552

Phone line opened for doctors prescribing AIDS drug (Newsbrief) 928

Protection from AIDS needed for surgeons (Roseborough) (L) 1074

Recommendations for providing dialysis treatment to patients infected with human immunodeficiency virus (Canada Diseases Weekly Report) (ER) 639

A revised case definition for acquired immune deficiency syndrome (AIDS) 1025

SIDA (Fiore) (AQ) 744B

Special panel urges incentives to promote AIDS care (Newsbrief) 1051

Teaching hospitals carrying greater AIDS burden (Newsbrief) 842

Transmission of HIV (Chandarana) (L) 1073  
(Kleinman) (E) 597

(Parker) (L) 1073

(Rosen) (L) 1074

The Vancouver Lymphadenopathy-AIDS Study: 7. Clinical and laboratory features of 87 cases of primary HIV infection (Boyko and others) (OR) 109

ACRES SE:

Statement on influenza vaccination for the 1987-88 season (L) 700

ACTUALITÉS AU QUÉBEC:

Les acupuncteurs non-médecins deviennent membres de la CPMQ (Fiore) 64B
